# FIRE SAFETY | Gaining The Edge

Date : 27<sup>th</sup> - 29<sup>th</sup> March 2018 • Venue : Sunway Pyramid Convention Centre (SPCC), Selangor, Malaysia

## INTERNATIONAL FIRE CONFERENCE & EXHIBITION MALAYSIA

### INTRODUCTION

Living in a safe & secured peaceful world is everyone's dream. The continuous transformation of the mega-cities' landscape, the never-ending industrial's revolution, technological advancement, extreme climate change, complex societal threats and disorders, poses a greater challenges and risks in protecting the lives of the people and their social activities from major threats such as fires, explosions, dangerous chemicals and hazardous goods, natural and man-made disasters.

In facing this dramatic hazards that endangers human lives and civilization, consistent innovative and creative solutions are paramount to solve the incoming threats. "Gaining the edge" is not with standing purely defensive measures to protect the human kinds, it is indeed another forward thinking solutions and actions that metamorphoses new generation of safety management, emergency response and disaster mitigations for the promising future of civil society.

IFCEM 2018 is a another major event to focus on this issues and to deliberate the next generation of fire safety engineering, emergency response operations, disaster and crisis management, which will bring together the most influential and knowledgeable scholars and professionals around the globe to Malaysia, spearheading into solutions & strategic approaches in countering this threats.

The three-day event jointly organized by Fire Rescue Department of Malaysia, Institution of Fire Engineers and Malaysian Fire Protection Association is a major fire industry gathering point that will showcase a plenary discussions on fire safety and disaster management technical subjects / papers, industrial exhibitions, demos and technical visits.

Besides as a platform for expanding the business networks, this event will also concurrently house a regional official meetings of the Fire Chiefs and Professional Institutions to discuss on matters that will encompass on the industrial issues and challenges.

### AIMS

As an avenue for the deliberation of latest fire safety & disaster management philosophy & technology.

As a platform for the promotion of corporate networks, business matching & collaborations among the fire industry players regionally & internationally.

To show case the most recent cutting-edge technology & products in the field of fire safety, rescue, disaster management & security.

### THE VENUE

Sunway Pyramid Convention Centre (SPCC) forms part of the vibrant, integrated Sunway Resort City, just 35 minutes from Kuala Lumpur International Airport (KLIA) and 25 minutes from Kuala Lumpur's city centre.

Offering 5,600 sqm of unobstructed function space with a capacity of up to 6,000 persons, SPCC provides a blank canvas for organizers to turn the venue into their desired set-up. It is ideal for large exhibitions, trade shows, conferences, high-profiled events as well as gala dinners and themed parties.

The convention centre also comprises eight (8) function rooms complemented by over 50 meeting rooms in the adjacent Sunway Resort Hotel & Spa. Located within the premises of the Sunway Pyramid Shopping mall that is connected via an air-conditioned passageway from Sunway Resort Hotel & Spa and Pyramid Tower East, delegates enjoy the convenience of various accommodation types in addition to a host of business and within walking distance.

SPCC is within easy access of Sunway Lagoon and Sunway Pyramid. The 88-acre Sunway Lagoon multi-park destination offers over 90 rides and attractions spread across its 6 signature parks - Water Park, Extreme Park, Amusement Park, Wildlife Park, Scream Park and the latest attraction, the Nickelodeon Lost Lagoon - the first Nickelodeon themed land in Asia featuring more than 10 rides. Sunway Pyramid, located adjacent to the Hotel, is home to over 900 speciality stores, 160 food & beverage outlets, entertainment centres, and recreational facilities like an ice skating rink, 48-lane bowling alley, 12-screen Cineplex and more.

## INTERNATIONAL FIRE CONFERENCE AND EXHIBITION MALAYSIA 2018 (IFCEM 2018) Theme: FIRE SAFETY - GAINING THE EDGE

### ● DAY 1 (27<sup>th</sup> March 2018 / Tuesday)

- 0700 - 0900 Registration
- 0915 - 1030 Official Opening of IFCEM 2018 Conference
- 1100 Official Opening of IFCEM 2018 Exhibition
- 1130 Exhibition Visit
- 1230 Lunch

#### SESSION 1 CHAIRMAN:

Ir. Wong See Foong  
Council Member, The Institution of Fire Engineers (Malaysia)

#### SESSION THEME:

**Fire & Rescue - Operational Challenges**

- 1400 **KEYNOTE** : YAS Dato' Sri Hj. Wan Mohd Nor bin Hj. Ibrahim Director General, Fire and Rescue Department of Malaysia
- 1430 **Paper 1** - Learning the Lessons from an Unprecedented Threat - How LFB Meets the Operational Challenges  
DC Steve Apter - Director of Safety and Assurance  
London Fire Brigade (LFB)
- 1515 **Paper 2** - Operational Response Challenges and Innovations in Singapore  
AC Ling Young Ern - Director, Operations Department  
Singapore Civil Defence Force (SCDF)
- 1600 **Paper 3** - Sabah Earthquake - High Altitude Search & Rescue  
SAC Hj. Nordin bin Pauzi - Director, Fire and Rescue Department of Sabah, Malaysia
- 1645 Question and Answer
- 1730 Tea Break & Exhibition
- 1930 IFCEM 2018 Dinner

### ● DAY 2 (28<sup>th</sup> March 2018 / Wednesday)

#### SESSION 2 CHAIRMAN:

SAC Mohammad Hamdan bin Haji Wahid  
Assistant Director General, Training Division,  
Fire and Rescue Department of Malaysia

#### SESSION THEME:

**Fire Safety - Issues & Solutions**
