

CALLING FOR EXHIBITORS! The first IFCEM Virtual Exhibition

This year, the Fire and Rescue Department of Malaysia (FRDM), Malaysian Fire Protection Association (MFPA) and The Institution of Fire Engineers (UK) Malaysia Branch (IFE) collaborated to host the first Virtual Exhibition experience, giving the fire industry community a chance to meet and realize potential opportunities in the fire safety industry and disaster management.

The IFCEM 2021 Virtual Exhibition offers an unprecedented opportunity for global fire industry-related companies to show and promote their latest technologies, products and services that will advance the way our fire safety industry operates. Learn more at <https://bit.ly/3uqUd9N>

Be part of IFCEM 2021 Virtual Exhibition and set your business agenda with this online global forum in this dynamic fire related industry!
